Rank / Name CPL TOH EN RUI CLEMENT
NRIC No. T0 [REDACTED] 2B

CPL Clement served as an Armour Training Assistant (ATA) in the Armour Simulation Wing (ASW) from May 2023 to May 2025. As the Subject Matter Expert for the Appended Virtual Trainer (AVT), he played a pivotal role in its development and deployment. His primary responsibility was managing the Onsite Acceptance Test (OSAT), ensuring the system met all technical standards and performance benchmarks. His meticulous testing and attention to detail were instrumental in the seamless integration of the AVT into operations. Additionally, he contributed to pioneering the Battalion Evaluation Simulation Training following the operationalization of the Armour Command and Control (C2) Training Simulators (ACTS) and C2 and Gunnery Simulators (CGS).

As the Finance IC, CPL Clement demonstrated strong financial management skills, utilizing the Procurement System to process purchase requests and payments for the Integrated Workforce Contractors. Over five months, his efficiency in handling these tasks ensured seamless and timely financial operations. In his role as Administration 2IC, he provided essential administrative support to the Wing, demonstrating strong organizational skills that contributed to operational efficiency.

CPL Clement's dedication, meticulousness, and positive attitude were commendable. He consistently upheld the highest standard in all his responsibilities, earning the respect of his superiors and peers. His contributions had left a lasting impact and we wished him the very best in his future endeavours.
